ECONOMIC BOTANIST.

Dated 18th April ....1921.

Dear Sir,

Under this Office No.1642 dated 26th March 1920, I submitted an application with reference to the treatment of my Service during my internment. There were two ---- distinct points i.e., (1) The continuation (or noninterruption) of my increments and (2) The amount and form of ---- remuneration, as I have continued my Official work during the whole period of absence. I believe the second point is still with Government but the first was at the outset decided and the continuation of my increments sanctioned. I have had however, no reply and have drawn my salary without increments.

At the end of this month, I have to incur heavy expenditure in connection with the passages to England and outfit of my family and I shall thank you if you will kindly have the necessary orders issued at least for the payment of the increment in arrears which may have been held back in your office pending the sanction of Government to the other point i.e., the remuneration which is however, a --- separate matter.

Thanking you in anticipation,

Yours sincerely,

G. H. Krumbiegel
